

Audio System

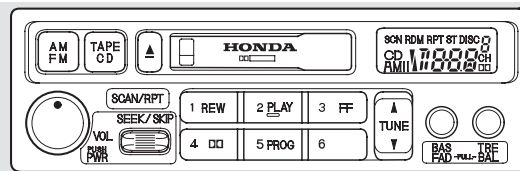

Your vehicle should have one of the audio systems described in this section. Read the appropriate pages in this section for operation of the audio systems installed in your vehicle.

- pages 107 to 118 for LX Model
- pages 119 to 134 for EX Model
- pages 138 to 150 for SE Model

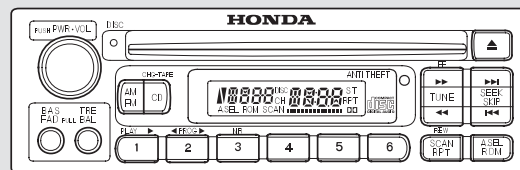

Also, read page 114 or 136 for how to take care of your cassette player.

If your vehicle has a different audio system from these two types, read the radio manufacturer's manual that came with your vehicle for its operation.
