

Storage Box, Driver's Pocket, Coin Tray

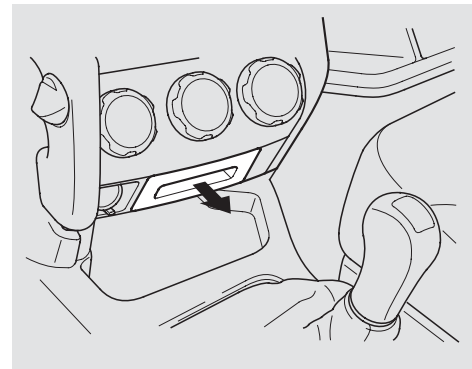

To remove the box for cleaning, pull upward on the front center edge to disengage the locking tabs under the seat bottom, then pull the box out.

Driver's Pocket

To open the driver's pocket, swing the lid down. Close it with a firm push.

Coin Tray

Only on vehicles with a manual transmission

The coin tray is located on the center dashboard. To open the coin tray, pull on the bottom edge. Close it with a firm push. The light in the tray comes on when the instrument panel lights are on.
