

Built-in Table, Center Pocket, Storage Box

Using the Built-in Table

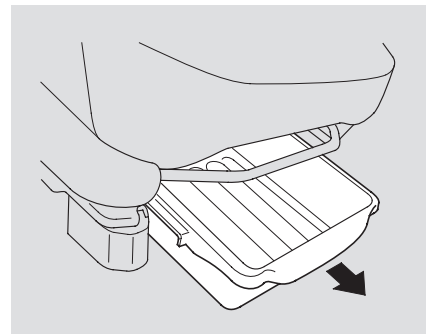

- Be sure to lock the legs of the table.
- Do not stand on the table.
- Do not put a weight of over 44 lbs (20 kg) on the table.
- Hot items such as pots, pans, or kettles should not be placed directly on the table top.

Center Pocket

Only on vehicles with an automatic transmission
Open the center pocket by pulling the handle. Close it with a firm push.

Storage Box

A storage box is located under the front passenger's seat. To use it, pull upward slightly on the front center edge of the box and slide it out.
